Notes						
<p>There is a variant of P73A (P73A_var1). It can be found in this score, but only rarely – e.g. in vol. 2 on f. 89. Most of the times, P73 appears in its original form.</p> <p>There is a variant of P10B with a difference in the crescents: The inner crescent is clearly wider, resulting in a selenometry of 13/85 (instead of 13/80), visible e.g. in vol. 1, f. 128.</p> <p>In several places there are subsequent corrections, e.g. deletions in red pencil, overgluing etc. E.g.: vol. 1, f. 97+98: The middle section of the aria was deleted with red pencil and the folios were folded in.</p> <p>This score shows an interesting case of collaboration in a copyist workshop: The copyists divided the work among themselves so that one wrote the recitatives and the other one the arias.</p>
